Spark! Places of Innovation series

The Smithsonian's Museum on Main Street (MoMS) wants your stories of innovation and invention for a new exhibition called Spark! Places of Innovation. Does your business have an interesting story to tell about environmental sustainability, economic revitalization, artistic energy, education, community transformation, historical preservation, technological invention, entrepreneurship, or reinvention? Spark! Places of Innovation will rely on stories gathered from rural communities across the nation - perhaps including yours! Find out more about this exciting opportunity [here](#). Story applications are due July 16th!

Our Members Matter

Pierce County Chamber of Commerce and Waycross-Ware County Chamber of Commerce value all of our members, including individual members who believe in the Chamber's mission and work hard to promote business and community collaboration. Mr. Charles Eames is one of those members. He is a member and faithful supporter of *both* Chambers, and has a unique connection to PC Chamber Director Sarah Gove and Waycross-Ware County Director Paige Taylor through his years of hosting children's story time with the local libraries. #weloveourmembers

Meet Vicki Knapp

Vicki is the vice president and a former president of the Pierce County Chamber of Commerce. Vicki has served on the Chamber board for five years and been a Chamber member since 2011. She is the owner of The Sewing Bee, a children's boutique and embroidery service on Main Street.

Her favorite thing about Pierce County: The small town charm. Everyone is so friendly, helpful and welcoming which reminds me of the small town in Illinois where I lived when I was young.

A fun fact about Vicki: I can't relax on vacation. I last about two days and then I'm ready to get back in my usual routine!

Favorite Chamber event: The annual Chamber Gala when we honor local citizens for their outstanding contributions to this community.

Why do you serve on the Board? Being a board member gives me the opportunity to give back to this community. It's important that we do all we can to lift our community as a whole and I want to lend a hand in helping our community grow. As an ambassador for Pierce County, it gives me great pleasure to give back to the community. The Chamber plays a significant leadership role in the community, and serves as a community champion and advocate for businesses. I take the responsibility seriously and put forth my best effort.

Welcome to Pierce!

Director's Note

By Sarah Gove

It's been an exciting and busy month here at the Pierce County Chamber of Commerce. We welcomed several new businesses to town in June and have plans to welcome several more with ribbon cuttings and grand openings in July.

One of the primary issues I hear about from businesses these days is their need for employees and struggles with employee retention. We've now partnered with the City of Waycross to host a job fair 9 a.m. - noon, August 11, at the C.C. McCray City Auditorium in hopes of helping our members connect with potential employees! Email me at piercechamberofcommerce@gmail.com or give me a call at 912-816-6209 for more information on how to register for this FREE event.
